Tom,

I hope this fixes it. I spelled out MOU, instead of using the acronym, and revised the name to reflect both parties to the memo.

Hi Bill,

Thanks for getting work done on these web page links. Unfortunately, the name of the pdf in the 6th link should still be MOU – open the link and you can see it is a Memorandum of Understanding. The only correction Kevin Connors indicated was required for that link was the “NDJC” should be “NDIC”.

Sorry,

Tom

Tom,

The link names have been corrected from MOU to MOA. Also the file name of the PDF in the sixth link has been corrected from MOU to MOA too, in case they're scrutinizing every detail.

Can you send me the link to the Public Notice?

Good morning, Craig -

I wanted to let you know that an item was published in today's Federal Register for docket OW-2013-0280

The FR and all associated supporting documents at Pending_Post were posted in FDMS and should momentarily be available to the public in Regulations.gov.

Thank you.
